

How to Register for a Program on Crowd Cast the First Time

- Click the registration link.
- Click “Save My Spot”.
- Enter your email and then tap the “enter” key.
- Check off that you agree to the “Terms of Service”.
- Click Join Event.
- Enter your full name and city.
- Click “Register”.
- You will be redirected to the program’s page. If the program is not live yet you will see a countdown and a notification to take a tour of Crowd Cast. You can choose to take the tour or not.
 - You are now registered. If the event has not started yet, you can close the window.

- The link to join the program on the day of the program will now be in the email you used to sign up. The email will be from “Plainview-Old Bethpage Public Library via Crowd Cast”.
 - If the email is not in your inbox, please check your spam.
- The link to join is called “Visit Event”.
- You will also get an email the day of the program 10 minutes before the program starts with the link again.
 - Remember you have to click the “Visit Event” in the email to join.
