

Creating a Fondant Bee!

Step 1

Roll a large ball of yellow for the body and a small ball of black for the head.

Step 2

Using a decorator brush, dab a bit of water on the body to attach the head. Press lightly to attach the pieces.

Step 3

Roll out a piece of black fondant. Cut thin strips with a paring knife.

Step 4

Attach the thin strips around the body of the bee.

Step 5

For the wings, roll a small piece of white fondant into a cone and flatten it with your finger. Repeat for two wings.

Step 6

Let the wings dry thoroughly before attaching to the body.
