

Fish Toy for Cats

Supplies:

- One baby sock from Dollar Tree (or use one that you have at home)
 - Poly-filling or fabric stuffing (from Joann Fabric or Wal-Mart)
 - Cat nip *Optional
 - Fabric ribbon or twine
 - Pom-pom for the nose in any color
 - Feathers for the fish tail
 - Hot glue + glue gun
 - Scissors
1. Take a small amount of poly filling + stuff your baby sock. *add cat nip to your poly fill if you have it,
 2. Add the poly fill ball to the inside of your baby sock, and move the stuffing to the bottom of the sock
 3. Add a large feather (or several feathers) to the create a tail at the top of your sock
 4. Hot glue the feather(s) inside to keep it secure
 5. Tie string or twine around your feather (on the outside of the sock) and leave one side larger so you can tease your cat a little with it
 6. Add a pom-pom to make fish eyes or a nose, + glue it on

THIS WILL BRING YOUR CAT JOY!
