Directions

Special equipment:

1. Line a sheet pan with a sheet of parchment paper.
2. Place chocolate wafers in microwave, for 30 second intervals at 50% power.
3. Dip the donut holes one by one into the bowl of melted candy lift out with a fork, letting the excess drip off. Place on the sheet pan.
4. Use sprinkles to decorate
5. Set aside to set for 15 minutes before serving.
